Platform and Resolutions.

The Republican Party of Lincoln County,
through its delegates in Convention assembled,
ever mindful of the record of the Republican
party keeping in thought its noble works in
restoring and redeeming the Union of the
States; the steady increase upon the public debt;
the exalted credit of the nation—due alone to
the great labors of that party; therefore, in view
of this record of justice and progress be it by
this Convention

Resolved, That we reaffirm our allegiance to
the principles of the Republican Party, and in-
dorse both the platform adopted by the recent
Republican National Convention and the Re-
publican State Convention of this State.

Resolved, That in the nominees for Presi-
dent and Vice President—Rutherford B. Hayes
and William A. Wheeler—we recognize all the
attributes which make them worthy of the
highest honors which US States can confer, and
we tender to them unwavering allegiance and
earnest support.

Resolved, That we oppose any repeal of the
bullion tax, but favor such modifications in tax-
ation as shall reduce the amount of revenue to
be collected to a sum only sufficient to meet the
expenses of government.

Resolved, That the public schools of the
State are our greatest treasure. We demand for
them the fullest privileges and the amplest re-
venue under the laws, and so insist that no part
of the funds set aside for their support shall
upon any pretext be diverted from its legiti-
mate use.

Resolved, That the deplorable condition of
our county credit requires speedy and effective
legislation to place it upon a sound basis, and
we demand that candidates for the Senate and
Assembly pledge themselves, if elected, to use
all legitimate means to secure such legislation.

Resolved, That the steady encroachments
of the stockmen with their herds upon the agri-
cultural interests of this county is a destruction
to those interests; that the farmers and ranch-
ers of this county must be protected in their
rights and property. To that end we demand of
our Senators and Assemblymen, if elected, to use
all means in their power to effect the pas-
sage of an Act that will cure the evil and secure
to the husbandman the products of his toil.

Resolved, That we indorse the platform ad-
opted by the Democratic National Convention
held in St. Louis on the 28th of June, 1876, and
pledge our enthusiastic support to the nomi-
nees of the Convention, Samuel J. Tilden for
President and Thomas A. Hendricks for Vice
President.

Resolved, That we are opposed to any and
all sectarian interference with our public
schools and school funds, and we are in favor
of such legislation only as shall maintain the
public school fund intact for the maintenance
of the public schools for all, uninfluenced and
untrammeled by any sect or sectarian influence
for all time to come.

Resolved, That we are opposed to the ex-
emption of bullion from taxation, and favor
such legislation only as shall subject all prop-
erty, including the net proceeds of the mines,
to a just taxation, and which shall be sufficient
to defray the necessary expenses of the State,
county and municipal governments, honestly
and economically administered, with no ex-
emption or special privileges to any.

Resolved, That we are in favor of such a re-
duction of the salaries and fees of State, county
and municipal officials as is consistent with the
public interest and welfare.

Resolved, That we demand a pledge of our
nominees for the Senate and Assembly that they
will, if elected, use every legitimate means to
secure such action of the Legislature as shall
be proper and legal to influence the General
Government to so change and modify the treaty
now existing with the Empire of China, known
as "Burlingame Treaty," as shall hereafter
effectually and forever prevent any further im-
migration of Chinese to this coast. And we call
upon every citizen and resident of this coast,
whether in office or otherwise, to use all lawful
means in his power to remove this Mongolian
incubus from American enterprise and industry.

Resolved, That we require a pledge of our
nominees for the Senate and Assembly that if
elected, they will at the earliest day practicable
take such steps and proceedings as are within
the constitutional powers of the Legislature of
this State, to influence Congress to make the
silver dollar—Nevada's great staple—a legal
tender to an unlimited amount.

Resolved, That we denounce as totally con-
trary to the principles of the constitution of the
United States every attempt to proscribe or
ostracize any portion of our citizens on account
of their religion or birth.

Resolved, That every candidate seeking a
nomination before this Convention shall sub-
scribe to and indorse the foregoing resolutions.
